**DECLARATION:**  
John L. Pearey (see note 3) employed by Tube Forgings of America and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true and to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by ABS Q.E. as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

Signature of Declarer: [Signature]  
 Declared before me at Portland Oregon  
 This 17 day of April AD 2007  
 Commissioner of Oaths or Notary Public: (sign) Barbara S. Barac  
 (Affix Official seal to the right)

This space for Regulatory Authority use  
 This registration must be revalidated after ten (10) years from the date

CRN: 0A11654.5  
 FID#: 045

Notes:  
 1. All fittings shall be registered in the name of the Manufacturer.  
 2. Each category shall be supported with two Statutory Declaration forms and one copy of supporting documentation.  
 3. The declaration shall be made by the person having full authority and responsibility for the quality of the end product.  
 4. Quality control programs shall be resubmitted for validation at a maximum interval of five (5) years.
