Dear Sir or Madame:

National Registration Service

Thank you for using the National Registration Service at TSSA. Your registration has been completed in Ontario and has now been forwarded to the other provinces, requested by your company for registration. The estimated time for completion of the review is 6-8 weeks.

Also at this time, we wish to reconfirm the invoicing terms as notes on our website (<http://www.tssa.org/regulated/boilers/registration/boilersRegistration02.asp>) Registration "...invoicing will be issued once the review process has been completed for the Province of Ontario and will include the base rates for each of the requested provinces in which registration is required. Some of the provincial fees are not fixed rates, and a second invoice will be issued to cover the differences."

Payment for your invoice will be due upon receipt. To ensure no delays are incurred with the registration process, please submit your payment once the invoice is received.

If you have any questions regarding the design review process, please do not hesitate to contact **Tanya Cooper at 416 – 734 – 3423 or email tcooper@tssa.org** Thank you for using the services of Technical Standards and Safety Authority.

Yours truly,

Tanya Cooper
